Sir,

I have the honour to request your kind assistance with a view to locating the present whereabouts of a Belgian subject, A. VERLEYSEN, who is reported to be residing in Shanghai.

From the scant information in my possession it appears that A. Verleysen should have arrived here, probably from Europe, some time in June or July last, possibly even during May. Verleysen was actually in Shanghai at the end of 1938 or beginning 1939 and resided for some time at the Park Hotel. During the latter part of 1937 and in 1938 he seems to have resided in the Hongkew district. It is therefore not impossible that he might at present again have fixed his residence in that district since his return from Europe.

Thanking you in anticipation for any possible information you may be able to gather on this subject, I remain, Sir,

Yours faithfully,

The Acting Consul General for Belgium

Shanghai Municipal Police.

REPORT

Date March 14, 1940.

SHANGHAI MUNICIPAL POLICE S. B. REGISTRY No. S. B. 1 Date

Subject Mr. Ernest John Herod.

Made by D. J. McKeown Forwarded by Supt. J. Mason

Mr. Ernest John Herod arrived in Shanghai from Soerabaia on September 4, 1939 in the Java China Japan Lijn s.s. "Tjisadane". A scrutiny of the books of the shipping company shows that he left no forwarding address, and the only point of interest is that his name on the passenger list is followed by the remark "not to be readmitted into Java" by order of the Immigration authorities. He left Shanghai for Hongkong on the s.s. "Kingyuan" of the B. & S. Line but enquiries at the shipping company have produced no results. The date of his departure was September 24, 1939. There is no information regarding his stay in Shanghai. He did not reside in any of the local hotels under the name of Herod, nor at any boarding house. He is not mentioned in Police records.
